

Graphic Design Internship

Who Are We?

VS Publishing is the largest publisher of local lifestyle and tourism publications in Central Florida. We produce Central Florida Lifestyle Publications, local community based magazines distributed to affluent homes throughout Central Florida's premier communities, as well as Orlando Today, a tourism publication showcasing all that Central Florida has to offer.

What an Internship at VS Publishing Company Offers You:

If you are a student looking to gain experience in the field of graphic design by having a major role in the production of magazine and advertising layouts, marketing, and online media then this is the internship for you!

You will be a crucial part of many major products of VS Publishing Company with your focus primarily being on Central Florida Lifestyle magazine and Orlando Today magazine. Duties include, but are not limited to, magazine page layout, advertising design, designing internal collateral such as marketing fliers and media kits. Attending weekly creative meetings and being a team player is a must.

This position is very fast-paced, project oriented and requires someone with CS4 skills. This includes, but not limited to, Adobe InDesign, Photoshop and Illustrator. A positive attitude and professional appearance is a must.

This internship requires a commitment of at least 15 hours a week, flexible days and times. A reliable means of transportation is also required. School credits can be applied.

Although this is not a paid position, you will have the opportunity to work hands-on and gain valuable publishing industry knowledge in the field of graphic design as well as add to your design portfolio.
